To Whom It May Concern,

I am writing to confirm that Emilia Grycuk is a current student in the professional training program at the Center for Existential Analysis & Logotherapy, an affiliate of GLE-International. Emilia joined the program in January 2024 and is currently in the first year of a four-year psychotherapy training program, which is designed to provide comprehensive training in Existential Analysis and Logotherapy.

We are pleased to inform you that as a GLE-International affiliate, our training program is fully accredited by the Federation for Existential Therapy in Europe (FETE). FETE is a recognized accrediting body, itself accredited by the European Association for Psychotherapy (EAP), ensuring that our program meets the highest standards of professional education in psychotherapy across Europe.

Should you require any further information or clarification regarding Ms. Grycuk's enrollment or our accreditation status, please do not hesitate to contact us.
Thank you for your attention to this matter.

Sincerely,

Daniel Parker, Ph.D.
